

RISE AND SHINE PRESCHOOL COVID-19 - PANDEMIC POLICY FOR NEW OR RETURNING FAMILIES

Dear Rise and Shine Families,

In order to operate as safely as possible our program has had to establish new policies and procedures. These policies are effective beginning on May 1, 2020 and will be in place until further notice. Please read each item below, sign, and return to monica@riseandshineprek.com or in person to teacher at drop off on your first day of reattendance.

I, _____, parent of _____ wish to begin attending on _____. If tuition has been paused it will resume on your first day of attendance as identified above. The following list is true for my family:

- In an effort to reduce the spread of germs, I will use the Brightwheel app (on my phone) to check in/out my child each day. The QR code is available at the front door.
- I will make sure to assign my child “school only” shoes. These shoes are only to be worn at the school and should not be used to walks around the neighborhood, parks, etc. They should be taken off as soon as they arrive home.
- I will not bring unnecessary items into the program. This includes the storing of car seats and strollers.
- I will inform the school via the Brightwheel app when I am on my way to pick up my child so my child will be ready, and to reduce contact with other families and staff members.
- I will make sure to wear a face mask when coming into contact with staff member during drop off and pick up.
- I will not enter the classrooms, except for preauthorized circumstances as defined by the program Director/Owner.
- If I bring my child, it is because everyone in our home is healthy and symptom free, with no known exposure to COVID19.
- I agree for my child to be screened for signs of illness daily. This includes temperature checks. If my child has a temperature 100.4 and above, has a cough, shortness of breath, sore throat, or diarrhea they will be kept home.
- Fever reducers will not be given to my child on any day of attendance, regardless of reason for fever reducer
- If my child shows signs of illness during care, I, or another authorized person, will retrieve my child within 60 minutes.
- I will wait my turn to enter the program, and practice proper social distancing while on program premises.
- I will thoroughly wash my and my child’s hands before dropping off, prior to picking up, and as soon as we return home.
- Only one guardian is permitted per family at drop off and pick up.
- I understand this situation is fluid and subject to change per state, other local authority, and program needs.
- I understand failure to follow these new safety guidelines may result in termination.
